

VINYL & ALUMINUM FENCING

Choosing the right fence for your home is an important decision — and one we take seriously. As the leading American manufacturer of low maintenance fencing, we know that there's no reason to compromise on quality and style for function or price.

We're strong believers that if you're going to do something, do it right the first time. That's why with ActiveYards, we're with you every step of the way. Our expert sales representatives and Customer Care Team are here to help find the right fencing solution for you, your family and your home.

QUALITY YOU CAN TRUST

ABOUT US

All ActiveYards products are made by Barrette Outdoor Living®, a proud American manufacturer with 14 factories throughout North America. With nearly 50 years of industry experience, our products are meticulously engineered and designed for beauty, flexibility and ease of installation. Our vinyl fencing is made, and our aluminum fencing is finished and assembled, in America by American workers. We employ top-notch engineers and machinists, scientists, quality testing and research specialists along with our outstanding in-house customer service, sales and marketing teams all of whom are part of our American workforce.

OUR MATERIALS, PROCESSES, INNOVATION AND TESTING SET US APART

Our vinyl fencing is made using proprietary raw material blends. Because of this, we know exactly what goes into our manufacturing processes and can ensure consistent, high-quality product. Our aluminum fencing features a powder coating finish that leads the industry in thickness and performs at three times the industry standard in salt spray testing. We have a long history of product innovation and hold more than 70 patents. Our product design and ingenuities ensure both our vinyl and aluminum fencing stays on trend and performs above expectations. Our state-of-the-art quality assurance processes utilize extensive internal and third-party laboratory testing, well exceeding other manufacturers, to ensure all our fencing products perform flawlessly for years to come.

ENVIRONMENTAL STEWARDSHIP

Barrette Outdoor Living believes in building for the future and is strongly committed to being an environmental steward. Through the products we produce and the sustainability practices we follow, every day we work to reduce our carbon footprint and move towards being as "waste neutral" as possible.

SOLUTIONS FOR LIFE

Whatever problem you're trying to solve, we have a solution for you and a fence to match. We are committed to providing innovative technologies and smarter designs that set us apart from our competitors and offer real value and unmatched quality.

Whether it's for added privacy, increased protection for your home and family, a worry-free pool experience or just a face-lift for your yard, we've got you covered.

PRIVACY

Whether you desire to create your own backyard hideaway, need to block out unsightly views or provide a perimeter around your property, ActiveYards has a privacy solution to meet your needs.

PROTECTION

Fences can help to keep your property and family safe. With a wide variety of styles available, ActiveYards fencing gives you peace of mind without compromising style.

POOLS

Owning a pool comes with a responsibility to keep children, pets and guests safe. ActiveYards recommended pool fencing —available in a variety of styles — is designed to give you that peace of mind.

DECORATION

Fences can serve several purposes, but they can also be the finishing decorative accent around your home. ActiveYards decorative fencing adds charm and style while still offering an element of protection.

3 WAYS TO FENCE

ActiveYards has so much to offer and to choose from, we'd strongly recommend you take your time shopping, before you make your selection and arrange for installation. This will assure that you get the very best fence system for your home and your life.

SHOP +

ActiveYards offers three ways to shop — online, by visiting an ActiveYards showroom or through an at home consultation. Whichever way you choose to shop that best suits you and your schedule, you'll be able to find the perfect fencing solution.

SELECT +

So you've found a fence you love that offers the solution you've been looking for — now you need to consider cost. With three series to choose from — Haven, Home and Harbor — ActiveYards has a fence to meet every taste and budget.

INSTALL +

ActiveYards Fence Systems are easy to install and in most cases, the cost of the fence doesn't affect your installation cost. We offer three ways to install your fence so you can select the one that's right for you — and your budget.

OUR INGENUITIES. YOUR ADVANTAGES.

STAYSTRAIGHT®

StayStraight is a unique material composition within vinyl fence rails that provides structural durability helping to decrease bending or sagging over time.*

**Does not apply to all products*

STAYSQUARE®

The StaySquare patented gate design with internal gate pockets, provides structural integrity that decreases sagging and bending over the years.

GLIDELOCK®

GlideLock is a patented connecting system that locks vinyl infill boards tightly together to create a panel without any gaps.

SOLARGUARD®

SolarGuard is a material composition that provides fade resistance* so that your outdoor living products will look good for years to come.

**Does not apply to white vinyl products*

CAMBIUM®

Cambium uses UV protective ingredients to create a beautiful wood grain finish that resists the elements.

CORIGIN®

Corigin is a hidden fastener system that locks fence and railing panels together from the inside out to provide a clean design.

SERIES OVERVIEW

HAVEN

Our Haven series has got it all — our patented ingenuities, decorative reinforced rails along with more color and size options. These panels are as strong and sturdy as they come and sacrifice nothing when it comes to style.

HOME

Our Home Series utilizes our most popular styles and colors for any fencing solution. The Home Series gives you some of the benefits of the Haven Series with less color and size options — exchanging a little added flair for affordability — without compromising on strength and function.

HARBOR

Our Harbor Series is our most affordable line and a considerable step up from other available fence options in the market. These panels are durable and offer simple style to your yard.

FUSION

Our Fusion Series is all about the flexibility of choice while seamlessly blending aluminum fence panels frame with your preference of boards. Select the board material, color and configuration to best suit your yard.

DOGWOOD HAVEN SERIES IN CYPRESS

DOGWOOD

The popular Dogwood style is available in two specialty styles that are sure to be the envy of any neighborhood. The **Dogwood Cambium by ActiveYards** vinyl fence is available in rich wood-tone colors that provides privacy while blending seamlessly into your natural surroundings. The **Dogwood Harmony by ActiveYards** features a striking two-tone combination that gives you the ability to mix and match post and rail colors with different colors of infill boards. Both styles feature patented GlideLock infill boards that lock tightly together with no gaps and StayStraight rails that provide structural durability to help decrease bending or sagging over time. The **Dogwood Harbor by ActiveYards** features standard tongue-and-groove infill along with all other Dogwood ingenuities.

HEMLOCK HAVEN SERIES IN WHITE

HEMLOCK

The **Hemlock by ActiveYards** — with its horizontal infill boards — offers a modern twist on traditional solid privacy fences while still providing the seclusion you desire. The clean horizontal lines created by the infill boards are reflective of current home design trends. Offering a blank canvas to highlight your decorative landscaping, the Hemlock is the perfect complement for your yard. StayStraight rails provide structural durability to help decrease bending or sagging over time and post channels secure infill boards while making installation easy.

HAVEN SERIES

SEQUOIA

A fusion of matte black aluminum framing and vinyl infill boards, the **Sequoia by ActiveYards** is a modern fence style that commands attention. Available in a wide variety of solid colors and wood grain options, the Sequoia can be customized in several ways to satisfy your taste and budget. Vinyl tongue and groove infill boards can be arranged vertically or horizontally. For a farmhouse chic style, you can purchase the Sequoia as an aluminum frame kit and use wood infill boards instead of vinyl.

FUSION SERIES

ARROWWOOD HAVEN SERIES IN WHITE

ARROWWOOD

Classically elegant, the **Arrowwood by ActiveYards** provides the perfect backdrop to your landscaping, garden bed or stone patio. With its diamond pattern lattice top section and solid lower section, it is the perfect combination of decorative styling and privacy. The **Arrowwood Harmony by ActiveYards** — offering a two-tone variation — allows you to customize your fence by combining different colors of posts and rails with another color for infill boards. Both also feature patented GlideLock boards that lock tightly together with no gaps and StayStraight rails that help decrease bending or sagging over time.

HAVEN SERIES

MOONSTONE HAVEN SERIES IN WHITE

MOONSTONE

With a contemporary open spindle top design, the **Moonstone by ActiveYards** is the perfect balance between picket and privacy fencing — offering you the best of both styles. The picket top section allows air to easily pass between spindles and the bottom section offers privacy with patented GlideLock boards that lock tightly together with no gaps. StayStraight rails provide structural durability to help decrease bending or sagging over time while securing infill boards and spindles.

HAVEN SERIES

ASPEN

With a striking scallop spindle top design, the **Aspen by ActiveYards** provides you with the perfect combination of privacy and openness — allowing air to easily pass through the top section. Artfully elegant, the Aspen features patented GlideLock boards in the bottom section of the panel that lock tightly together with no gaps. StayStraight rails, which provide structural durability to help decrease bending or sagging over time, frame the panel while securing spindles.

PERSIMMON

Offering a distinctive contrast between black aluminum balusters on top and solid vinyl fence boards below, the modern **Persimmon by ActiveYards** provides you with the perfect combination of privacy and openness. The thin vertical balusters are securely held into place by StayStraight rails that provide structural durability to help decrease bending or sagging over time. Patented GlideLock boards — available in three colors — lock tightly together with no gaps.

HAVEN SERIES

WILLOW HAVEN SERIES IN WHITE

WILLOW

Providing seclusion while allowing the breeze to gently pass in and out of your yard, the **Willow by ActiveYards** vinyl fence features modern horizontal boards that are angled slightly. Perfect for warm-weathered environments, the Willow is designed to stand up to the elements while also creating a stunning shadow effect when the light hits its angled boards.

HAVEN SERIES

WISTERIA

Featuring shadowbox dimensional styling, the **Wisteria by ActiveYards** is an easy-to-maintain vinyl version of traditional wood shadowbox fences. Available with a traditional mid-rail in the center panel or with a rail placed higher up on the panel to meet pool code regulations, this fence offers privacy and airflow — perfect for allowing the breeze to flow through while you lounge by the pool or enjoy time outdoors. StayStraight rails provide structural durability to help decrease bending or sagging over time.
