Fencing solutions for life[®]

T-Rail

Why ActiveYards®

We are the leading American manufacturer of low maintenance, lifetime warranted railing systems. We believe there is no reason to sacrifice performance, beauty and style for function or price.

ActiveYards Vinyl Railing

ActiveYards railing, low-maintenance vinyl reinforced with strong aluminum, adds an attractive look to your home while providing exceptional security. Our T-Rail offers strength, durability and safety while our Deck Board Rail adds convenience and function to an already strong and beautiful railing.

Our railing has been tested by a third party testing agency and meets all requirements specified by the IRC & IBC. Each style is offered in a railing and stair kit to fit your needs whether you are completing the perfect project or complementing your home.

T-Rail

Deck Board

T-Rail and Deck Board Vinyl Railing

Traditional and contemporary designs bring beauty and functionality to innovative, code-compliant rail styles. Consider our T-Rail vinyl handrail, which offers a popular look found on many deck and porch settings. T-Rail kits are offered with square, turned or black round aluminum balusters. Want something more distinctive? Select the versatile Deck Board railing. It will add charm to any outdoor setting by allowing you to transform a rail to your unique personality. Simply mount the deck board onto the top of the rail.

Gates Available

Compatible with all vinyl rail systems, Standard Gate Kits are available in 36" widths and 36" and 42" heights.

Custom Gates are available in 36" and 42" heights, but cannot exceed 48" width.

*Gate hardware is sold separately.

Square Baluster

ActiveYards Aluminum Railing

Safety is job number one, and ActiveYards® railing systems offer peace of mind protection. Our aluminum rails provide a beautiful and durable, yet cost-effective solution for your home and yard. ActiveYards products utilize Corigin® technology, an innovative construction system that connects the pickets to the rails from the inside out. This screwless system produces a longer lasting, stronger, and better looking rail. ActiveYards railing systems not only meet all residential and commercial building codes – they are easy to install too!

3/4" Square Balusters

CORIGIN

Better from the inside out

Our Ingenuities. Your Advantages.

SOLARGUARD™

Color that Lasts

Every fence we make is infused with our exclusive color retention technology, which helps protect it from the harmful rays of the sun.

GLIDELOCK™

Privacy & Strength

Our GlideLock® design makes sure each board locks tightly into place without any gaps providing you the seclusion and privacy you want for your yard.

STAYSTRAIGHT™

Perfectly Balanced

StayStraight® technology is the exclusively engineered ActiveYards rail system designed to prevent substantial long term bowing or sagging.

CORIGIN™

Better from the inside out

An innovative construction system that connects the pickets and rails from the inside out producing a longer lasting, stronger and better looking fence.

CAMBIUM™

Natural Beauty

Our Cambium® technology gives you all the natural looking beauty of real wood, without the need for continued upkeep and maintenance.

STAYSQUARE™

Perfectly Strong

StaySquare® Gate Systems featuring innovative gate pockets are exclusively engineered for strength without the use of a brace.
